

The Cooperator

The official publication of the Cook County Farm Bureau

Rate Card

General Information:

The Cooperator is a 12-page full color monthly publication. The publication's appeal is for farmers and non-farm audiences who are members of this pro-agricultural organization.

Circulation:

The publication is provided to approximately 47,000 farm and non-farm families each month from the Cook County area. The readership demographic varies including farm, rural, urban, youth, seniors, green industry and legislative leaders. Circulation will vary based on specific membership levels at the time of each issue. The publication is sent via 2nd class postal permit with electronic options available. The target publish date is the 1st week of the month.

The Cook County Farm Bureau contracted the Northern Illinois University Public Opinion Lab to survey members on several different items. A telephone survey of 1,009 members was completed in January of 2008.

A majority of our 47,000 members read the Cooperator.

71% of Voting Members

52.36% of Associate Members

Content:

The publication offers a mix of content including membership benefits, special agricultural features, member profiles, issue updates, farm facts and commentary.

In addition, a mix of articles exploring farm life, food, fiber, environment, and perspectives are carried.

Billings:

All advertising must be prepaid until credit references are contacted. Payment in full is due within 30 days of billing. The Cooperator will submit a billing within 10 days of the advertisement's publication with a tearsheet. Any advertising charges 30 days past due and beyond will be charged 1 ½ percent additional per month.

Deadline:

All advertising materials must be submitted to the CCFB office by the 15th of the month for inclusion in the next month's publication. i.e. September 15th for the October edition.

All submitted materials should be camera ready, pdf files with fonts included. Color is acceptable. High quality photos and graphics should be included in display ad for best production copy.

Ad Placement:

Advertising will be placed at the discretion of the publisher within the publication.

Editorial Ads:

Advertising that resembles news copy must carry the word “advertisement” at the top of the ad.
