Unfortunately, every kid can't grow up on a farm. So, we bring the farm to the kids! We receive some amazing feedback from kids, teachers, scholarship recipients and others that we reach and teach through the various programs and activities sponsored by the Cook County Farm Bureau Foundation®. For more detail, go to www.cookcfb/foundation and www.cookcfb/agliteracy.

Quotables from area teachers...

"Everything that comes from the CCFB is first rate, hands-on and state of the art; keep it coming."

"The students gained so much knowledge from the presentation about agriculture and agribusiness. Very informative and useful for students to understand the nutritional value of their foods."

"The students enjoyed the hands on activities and simulations which increased their engagement level. Having a variety of presentation activities was beneficial: lecture, visual, simulation, and discussion."

This is our only "ask" of 2019.. **Please donate to the upcoming Silent Auction this year.**

We will be holding this year's Silent Auction as an important part of our Farming for Our Future Fun'Raiser. The event is scheduled for Saturday, March 9th at Gaelic Park located at 6119 147th St, Oak Forest, IL.

Donations may be sent or dropped off to the Cook County Farm Bureau office by February 28, 2019, or contact Melanie at 708-354-3276 to coordinate pickup of your donation.

Thank you for your continued support!

With warmest regards,

Bob Rohrer, Executive Director, CAE, FBCM
