With Country Financial since 12/2002

Tim supports the Cook County Farm Bureau by participating in Food Checkout Day. He has served on the Member Relations Committee in the past. He is a big supporter of the Cook County Farm Bureau and recommends us because he believes in the value we provide for his clients.

Tim and his office staff take pride in the fact that they answer their phones and are prompt in calling clients back. Tim helps his clients by reviewing their financial situation and making appropriate recommendations for them. He conducts annual reviews to make sure they have what they need to support their success.

Tim is active in his community. He has been a Village Trustee for Steger for 15 years; he is Vice President of the Steger Kiwanis Club and is active with Alicia's House.

Tim is passionate about his 20 + years of volunteer work with Alicia's House. It started as a food pantry but has grown into something so much more. In 2025 they provided hats, gloves, coats, and Christmas gifts to over 800 kids! They hosted a dinner for over 80 special needs kids and their families where they each also received hats, coats, gloves, and Christmas gifts.

To learn more about Alicia's House or to learn about volunteer opportunities, you can contact them directly.
