

How to Grow a Giant Pumpkin Webinar
on
Tuesday, May 14, 2019 | 5 pm-6:30 pm

Join us from the comfort of your home, tractor, or favorite coffee shop as the Farm Bureau presents a ***Webinar on How to Grow a Giant Pumpkin***. Topics to include seed, soil, planting tips, dealing with harsh weather, cultivation and harvest. The webinar will be presented by George W Hamilton, Ext Field Specialist, Food & Ag, UNH Extension, and will include award-winning pumpkin growers that will share their stories and tips!

Participants will be mailed Giant Pumpkin Seeds to grow a winner to enter at the CCFB Giant Pumpkin Contest on October 5th!

Register for the webinar info by calling 708-354-3276 or by logging into your account at the Member Center.
