

«Summer Ag Academy 2020»

Producer-Consumer-Teacher: Rural Summer Ag Academy

June 15-18, 2020

From seed to plate, farm to table, farmers are embracing the newest technologies to produce our food and fiber. Content of course can be applied directly to your classroom curriculum and enrich your **STEM** content using the multitude of resources you will acquire during this 4-day professional development experience. Participants will tour Illinois farms and agribusinesses and enjoy guest speakers from the education and agriculture industry.

CREDITS: 30 PDCH Credits included in price; 2 Graduate Credits require additional \$200 payable first class session

COST: \$125 (\$25 discount for farm bureau members)

Includes coach bus, tours, lodging and meals

LOCATION:

June 15 • CCFB, Countryside, IL

Introductions and guest speakers

June 16 • Early travel towards Freeport, IL with farm tours along the way with one overnight stay

June 17 • Farm tours towards return trip to Countryside

June 18 • Transferring information to classroom lessons

Registration open until May 1, 2020 or until class filled—call or email Jill or Diane at 708.354.3276 or aitc2@cookcfb.org
